Astron 211 OOM #8 Heavy Stuff

OOM Policy: You can work in pairs or groups of 3 if desired. You can consult class notes and books — no phones or computers. Make sure you are clear about the process you use to solve the problems: partial credit will be awarded. Always include units.

Estimate the biggest piece of the following that you could lift:

1. Ice

2. The Earth

3. A white dwarf

4. A neutron star
